Graduates are tracked in the following year and reported one year later. Continuing education outcomes are based on enrollment data for the fall and preliminary winter/spring semester.
Individuals are only counted in one educational sector. Priority for continuing education is SUS, private university and FCS.
Students found continuing their education in DSC baccalaureate programs are not included in those found in the Florida College System.
Graduates in programs sharing CIPS are reported only once.
Graduates continuing their postsecondary education in a district school system are not shown but are included in the totals.
