In order to be eligible for financial aid, a student must be enrolled in an eligible degree or certificate program and must be enrolled in courses required by that degree or program. According to our records, your program does not qualify as an eligible program, and you are not eligible to receive financial aid.

**[PLEASE NOTE: If you have received a Bachelor's degree, you cannot receive financial aid for an AA degree program].**

Please return this form to the Financial Aid Office if you have changed your program **with the Advising Office** so that we may continue the processing of your financial aid. [NOTE: You must contact the Advising Office to officially change your major/program.]

I have changed my program with the Advising Office and am now enrolled in an eligible program, and I am enrolled in courses required by that program.
