

INTERESTED IN PHLEBOTOMY?

Then contact the Phlebotomy
Information Line at 386-506-3684

The Institute for Health Services is announcing a new **Phlebotomy Information Line**. It provides students interested in phlebotomy with general information, pre-requisites, costs, etc. Students will hear all the information they will need to be notified of our next orientation. The information line will be updated as needed.

Thank you,
Paula Morton
The Institute for Health Services
