Dear Parent/Guardian:

Your student has expressed interest regarding the Daytona State College TRiO Educational Talent Search program (“ETS”). The fact that your student has expressed interest in ETS means that he/she wants higher education to be a part of his/her future, and we look forward to helping your student achieve this goal. Please be sure the following documents are returned to us:

- A completed ETS Application (green papers)
- A signed Parent Income & Eligibility form with applicable income information, OR a signed copy of the parent/guardian’s Federal Income Tax Return Form 1040 for the year 2011
- A Student Records Release Authorization signed by both parent/guardian and student
- A copy of the student’s most recent report card or school transcript, as well as any Standardized Test Scores

Any financial information you provide will be held strictly confidential.

An ETS representative will be at your student’s school on a regular basis throughout the year to talk with students about their educational goals, and to help them identify and achieve their full potential for excellence. ETS participants can expect to receive educational guidance, such as help with exploring different careers, understanding the financial aid process, and applying to colleges of their choice. Your student will have the chance to attend workshops that will prepare him/her for college entrance exams and how to get financial aid. Workshops for parents will be available, and students will also have the opportunity to visit different colleges to go on college tours.

If you have any questions or concerns, please feel free to contact our ETS program at 386.506.3690. Please return the completed application to the following address:

Daytona State College
TRiO Educational Talent Search
1200 W. International Speedway Blvd
