How to Apply to The Associate Degree Nursing Program

(For Continued Enrollment)

- (1) Apply to Daytona State College, or readmit if it has been two major semesters or longer since you last attended Daytona State College.
- (2) Have official transcripts (high school, GED, college) sent to Daytona State College Admissions Office. **All official transcripts must be received by Daytona State College at the time of application submission.**
- (3) Apply to Financial Aid if desired.
- (4) All new and readmitted students will be required to complete the college Orientation. Students can complete the orientation online.
- (5) **The TEAS test must be taken at Daytona State College on the Daytona, DeLand or Deltona campus and an appointment is required.** Prior to the exam, create an account online with ATI <http://www.atitesting.com> with log in information which will be required to take the TEAS test. Obtain an Assessment Services Test Fees form for the TEAS (Test of Essential Academic Skills) from Assessment Services. Pay the proctoring fee to the college cashier. You will be placed in a testing room where internet options will allow you to log in to your ATI account and pay online for the TEAS test through the ATI self-pay method. **Prepare to spend 4-4½ hours from beginning to end for registration and testing.**
- (6) During the application periods of May and September, bring to the Academic Advising Office a completed Nursing Application form, copy of unofficial transcript(s) and/or license if necessary. The advisor will check to make sure that you qualify for both Introduction to Composition (ENC1101) and College Algebra (MAC1105) through course work or appropriate placement test scores. ATI TEAS results must meet the minimum requirements of 69th percentile in reading comprehension and 63rd percentile in mathematics, and an adjusted individual total score (AITS) at the 59th percentile or better. **Tests may not be combined to show minimum score achievement, the scores must be achieved in each category on the same test attempt. Examinees may test a total of two (2) times within a calendar year (Jan-Dec). TEAS scores are valid three (3) years from test date.**
- (7) Applicants must have an overall grade point average of at least 2.50. **Courses in progress without a grade will not be included.**
- (8) LPN/ADN and Paramedic/Respiratory/ADN Transition applicants must bring in a photocopy of their current Florida license. Additionally, Paramedic/Respiratory/ADN Transition applicants must provide proof of employment as a Certified Nursing Assistant, completion of CNA program of study, CNA review program or provide evidence of a current Florida Certified Nursing Assistant license. Provide a letter from employer indicating length of work experience (minimum one year).
- (9) The Academic Advising Office will complete the checklist and assemble the materials into a packet for you. **All official transcripts must be received by the admissions office and you must have passing TEAS test scores at the time of application submission.** The advisor will sign the packet and turn in your application to Ms. Melissa Brown-Mack. **Applications will not be accepted by mail or email.**
- (10) Decision letters will be sent approximately six weeks following the application period. Applicants not accepted will receive a declination letter and may apply during the next application period.
- (11) Students receiving a letter of acceptance will be granted provisional acceptance to the nursing program. Final acceptance into the program is contingent upon satisfactory results from a physical examination and both a negative drug screening and cleared Level II background check conducted through the FDLE/FBI. Information on obtaining these reports will be provided to students once provisional acceptance has been granted.
