Dining Dollars

Using Dining Dollars saves you 10% on all purchases at the three dining locations on the Daytona Beach campus. Simply add an amount on your Dining Dollars account. Any purchases (single items or full meals) will be deducted from your account.

Note: Student Dining Dollars accounts end at the conclusion of each semester and remaining balances are not refundable.

Block Plan

For full meal purchases consider one of the Block Plans. You pay for a set number of meals and save. Students can use financial aid funds to purchase a Block Plan.

50 Meals	\$362.50
75 Meals	\$525.00
100 Meals	\$675.00

Block Plans are on a per-semester basis. Unused portions of the plans do not rollover and are only eligible for a refund for ten (10) business days after the initial purchase.

Email mealplans@daytonastate.edu to set up a Dining Dollars or Block Plan using a credit card. Students can contact Student Accounts to have the Block Plan (only) charged to their college account.

Welcome to a new academic year at Daytona State College! We have been working hard to enhance your dining experience and look forward to introducing new offerings this year.
