Open to the public, the Daytona State College Massage Therapy Student Clinic provides a 50-minute wellness massage under faculty supervision. Students receive valuable hands-on experience while clients enjoy the benefits of therapeutic massage.

The Massage Therapy program provides students with the knowledge and skills required to pass licensure and certification exams.

Graduates are prepared as entry-level practitioners in the massage therapy profession.

Massage Therapy graduates pursue careers in the medical community, health & wellness centers, private practice and as adjuncts in alternative health, wellness & healing services.
