Nurse Up Workshops This Fall:

- Sept 12th - The Respiratory System. A trip through the process of breathing.
- Sept 26th - Nursing Math. Reviewing medication administration formulas and dimensional analysis.
- Oct 10th - The Muscular System. Go through the motions of how we move.
- More to come in November and December! Stay tuned!

3 p.m. - 4 p.m.

Daytona Beach Campus, Baker Hall Bldg. 500, Room 124 Academic Support Center
