**Tuesday, September 15**

**Mr. Ken Tubertini**

**DBIA HISTOry And Its FUtURE**

A native of the Indian River Lagoon section of Cocoa Beach, Lewis became an artist after a sports injury led him to enroll in art classes, where he discovered his talents. The Highwaymen sold their artwork to banks and small businesses, where they discovered this talent. The Highwaymen's artistry represents and advances their artistry today as it advances the community. Theappreciation for their work and the impact on the community.

**Tuesday, October 6**

**Mr. Randy Schecter**

**Estate Planning And How To Avoid Probate**

With over 20 years of experience in elder law, attorney Schecter has been successfully representing and advocating for his clients in Central Florida. Consistent with his holistic approach to elder law, he has a compassionate and caring team that includes a registered nurse, social worker's estate planners and probate paralegals.

**Tuesday, November 10**

**Ms. Susan Lynch**

**Are Minute Clinics Our Future?**

Have you heard about Minute Clinics and why busy families use them? Besides the convenience of being open seven days a week, including evenings, Minute Clinic has earned the Gold Seal of Approval from the Joint Commission.

**Tuesday, November 17**

**Mr. Tim Weaver**

**Trader Joe's And The Way It Does Business**

Would you believe Trader Joe's started out as a small chain of convenience stores? It's true. Way back in 1958, these stores were called Pronto Markets. In 1967, the founder, the original Trader Joe, changed the company name and the way its stores do business. The stores were expanded, the walls decked with cedar planks and the employees donned their now trademark cool Hawaiian shirts.

**Tuesday, December 1**

**Chef Costa Magoulis**

**YES, IT IS THE HOLIDAYS AGAIN… Need Cooking Ideas?**

We always are looking for ways to impress our guests for the holidays with the meals we serve or the baking we do for our family and friends. Chef Costa has all the answers.

**WISE Program**

**Fall 2015-Schedule of Programs**

**Tuesday, September 15**

**Mr. Steve Cooke**

**DBIA HISTOry And Its FUtURE**

Hear about the history of Daytona Beach International Airport, its economic impact on the community, the importance of FAA/UDOT grant funding, ownership and staff organization, JetBlue's service commencement early next year, as well as current and upcoming projects on and around the airport.

**Tuesday, October 6**

**Mr. Randy Schecter**

**Tuesday, October 20**

**Mr. Jeff LaCour**

**PHYSICS MAKES CANCER EASY TO UNDERSTAND**

This is an entirely new theory on disease, based on physics, rather than chemistry. The principles of physics underlie the science of chemistry and brings new clarity to healthcare. The plague of the 21st century, cancer, can be understood and avoided when examined from the perspective of physics. Come and listen with an open mind!

**Tuesday, October 27**

**Ms. Judy Evers**

**ADVOCATING FOR THE CHILD’S BEST INTEREST IS OUR ONLY INTEREST**

Judy has been with the Guardian ad Litem program since July, 2013 and she will discuss how the volunteer child advocate serves as the “voice for the children” in judicial dependency proceedings and in helping the child navigate the foster/relative care system.
