WHEN:
September 9, 2022
8:30AM- 4:30PM

WHERE:
Daytona State College
School of Emergency Services ATC Campus
1770 Technology Blvd.
Off N. Williamson Blvd
Daytona Beach, FL 32117

WHO SHOULD ATTEND: Officers, Detectives, Crime Analysts, VICE/ NARC, Prosecutors **RESTRICTED TO LAW ENFORCEMENT PERSONNEL**

WHAT TO BRING:
This is a hands-on course, students are required to bring a laptop or tablet with internet access and ADMIN privileges.

COST:
$325 per student
$295 groups of five or more

This one-day Dark Web Investigations course is designed to teach students a working knowledge of the dark web. During this hands-on course students will learn what allows them to pursue investigations on the dark web, how to safely conduct those cases while protecting their personal and agency devices all the while learning best practices to locate, preserve and collect evidence from the dark web.

No prior knowledge of the Dark Web is required to attend this class. However, this is a hands-on class so students are required to bring a laptop with administrative privileges.

TOPICS COVERED:
Introduction to the Dark Web
Legal Issues regarding Dark Web Investigations
Safely operating on the Dark Web
Protecting your online identify on the Dark Web
Communication and Currency on the Dark Web
Investigations on the Dark Web
Preservation of Evidence
Capturing Evidence
Presenting Evidence

Students will be given a list of investigative resources in the class and shown numerous free databases/resources during the class. Students will also be required to complete several exercises during the course to demonstrate proficiency.

INSTRUCTOR: We only use active law enforcement, who are currently using these techniques in their daily roles as our instructors. By doing this, it keeps the material up to date and immediately applicable for the students. The instructors can use their own active cases to reinforce the techniques taught in the class. You can read all our instructor biographies on our website or Instagram site.
