Baccalaureate Program	SP 2022	100%
Baccalaureate Program	SU 2022	100%

EMPLOYMENT RATES (Reported by Florida College System) FETPIP Methodology: FETPIP's method of
data collection replaces conventional survey-type techniques and provides information in an accurate and cost-
effective manner. The follow-up studies are conducted annually by matching records of the student graduates,
completers or from the numerous public and independent organizations with information resources available to
FETPIP.

Program	Graduating Cohort	Employment
Associate Program	2017-2018	92%
Associate Program	2016-2017	92%
Associate Program	2015-2016	100%
