

External Program Accreditation List

The table below lists each academic program at the college that is accredited by an external entity along with the date of the most recent review and the date of the next scheduled review. It should be noted that some programs hold “certified to operate” status, which involves inspections/ audits completed by the state agency associated with the program but is not an official accreditation. These programs are notated with an asterisk (*). **All programs are accredited, provisionally accredited, or hold certifications to operate and are in good standing with no terminations, sanctions, or negative actions taken against any program.**
