### Section 1 – School Consent

- Students must initiate the drop/withdrawal process with their high school counselor.
- Course withdrawal forms for dual enrolled students must be received by the college prior to the posted add/drop or withdrawal deadline.
- Students will need written permission from a school counselor in order to withdraw from Dual Enrolled classes.
- Add/Drop and withdrawal deadlines are posted in the college catalog. Dual Enrollment students follow the same academic calendar as all Daytona State College students.

### Section 2 – Student Consent

- Drops - Students can request to be dropped from dual enrollment courses during the add/drop period posted on the Academic Calendar. Drops completed during this time will not reflect on a student’s transcript or count as an attempt.
- Withdrawals - Once the add/drop period ends, the withdrawal period begins. If a student withdraws from a course a “W” grade is entered on the student’s transcript. The “W” does not count toward the student’s GPA; however, it does count as a course attempt, and can impact future post-secondary eligibility.
- Unsuccessful completion of Dual Enrollment courses can affect future Financial Aid eligibility.
- Students reported by faculty as inactive after the withdrawal deadline will be administratively withdrawn and assigned a grade of “W1”, which will not impact a student’s GPA, but will count as a course attempt.
- Students who withdraw and earn W grades in two separate semesters will be ineligible to continue with dual enrollment.
