

The Life Services Toolkit

Resources and Tools to Support You and Your Beneficiary

Group Life insurance through your employer gives you assurance that your family will receive some financial assistance in the event of a death. But coverage under a group Life policy from Standard Insurance Company (The Standard) does more than help protect your family from financial hardship after a loss. We have partnered with Morneau Shepell to offer a lineup of additional services that can make a difference now and in the future.

Online tools and services can help you create a will, make advance funeral plans and put your finances in order. After a loss, your beneficiary can consult experts by phone or in person, and obtain other helpful information online.

The Life Services Toolkit is automatically available to those insured under a group Life insurance policy from The Standard.
