Job Title: Supplemental Instruction Leader

Purpose of Job: To assist students in understanding how to integrate study skills and content.

Attend class three hours per week; conduct three hours of SI Sessions per week using collaborative learning techniques. Take attendance at each session. Provide worksheets, quizzes and reviews while leading a "peer-assisted" study group. Attend SI Leader training prior to each term, distribute EOC survey. Record hours worked accurately each day in payroll system. Maintain a professional attitude and confidentiality. Maintain contact throughout the term with the course professor and SI Coordinator and maintain consistent working hours. Above average interpersonal, presentation and technical skills. Models leadership behaviors to DSC students, faculty and staff.

Job Qualifications: Content-competency; successful completion of the SI course with a B+. Professor recommendation/approval needed.
