Please return this form with the requested information or documentation.

Your status for financial aid as an independent student is based solely on your answer to the question on the 2021-2022 Free Application for Federal Student Aid (FAFSA) regarding your status as an **“unaccompanied youth who was homeless.”** Please submit documentation verifying your status.

An **unaccompanied youth who was homeless** (or at risk of being homeless) is a **person who was 21 years of age or younger or was still enrolled in high school as of the day the FAFSA was signed**, is not living in the physical custody of parent or guardian, and has received an official determination of this status at **any time on or after July 1, 2021**. You must provide documentation of this status (see below).

Check the appropriate statement below, attach the required documents, and return the form to this office so that we may continue the processing of your financial aid paperwork.
