WELCOME BACK, AND HAVE A GREAT SEMESTER!
Available Services at the L. Gale Lemerand Student Center

At the L. Gale Lemerand Student Center, you'll find amenities and services that engage students with expanded student life opportunities and academic support programs. One of the most popular places is Mori's Café, where you can grab a muffin and beverage before heading to class, or stop by the dining area for fresh and delicious meals, sandwiches, pizza, soup, salad and more.

Looking for a place to study? Private and group study rooms are available on every floor, and you can even reserve a conference room. Other study and support areas include the Library, Writing Center, computer lab and the Academic Support Center. Specialists in Career Services are ready to help you find the perfect match with employers looking to hire DSC students and alumni.

After all that studying, take a break, relax and have some fun! The second floor features a gaming lounge, where you and your friends can play foosball, ping pong and video games, or just hang out. Research shows that students who engage in a dynamic college experience tend to be more successful, so take advantage of everything we have to offer in YOUR student center.

Academic Support Center
The Academic Support Center (ASC) provides college-wide learning support to all DSC students by helping develop the educational skills and strategies that are essential for academic achievement. In addition to technology-mediated learning and supplemental instruction, the ASC offers face-to-face and online peer and professional tutoring. These multimedia facilities are available on all campuses.
